## Curriculum Vitae

### Personal Informations

Name and Surname **EMILIO NUZZOLESE**  
Address Corso Galileo Galilei 22 – 10126 (Italy)  
Telephone + 39 011 0915919  
E-mail emilio.nuzzolese@unito.it  
Citizenship Italian

University Web page <https://www.dsspp.unito.it/do/docenti.pl/Alias?emilio.nuzzolese#profilo>

LinkedIn <https://www.linkedin.com/in/emilionuzzolese>

### Professional Experience

Date 28/12/2018 to present date  
Work or Job **Researcher and Professor in Legal Medicine**  
Address Corso Galileo Galilei 22 – 10121 Turin (Italy)

Type of work, activities Department of Public Health Sciences and Pediatrics, University of Turin  
Corso Galileo Galilei 22 – 10121 Turin (Italy)  
Research in Forensic Odontology, Didactic activities, Forensic Assessments (age estimation, bitemark analysis, human identification, risk management, dental malpractice).  
Teaching of Legal/Forensic Medicine and Odontology to medicine and dental undergraduates; dental hygienists, nurses, speech therapists, hearing aids technicians, audiometric aids technicians, dietetics undergraduates.

Date 2/7/2019 to present date

Work or Job **Head of Human Identification Laboratory**  
Address Corso Galileo Galilei 22 – 10121 Turin (Italy)

Type of work, activities Forensic anthropology, Odontology and Face Morphology laboratory.

Date Since 14/10/2015 to 27/12/2018

Type of work, activities **Contract Teacher (Lecturer)**  
Supplementary didactic activity in the teaching of legal and forensic

Activities and responsibilities	medicine of the three years Degree in Dental Hygiene. Chair of teaching
Employer	Prof. Giancarlo Di Vella.
Type of activity	University of Turin (Italy) Teaching, Legal Medicine and Dentistry
Date	Since 10/01/2016 to 27/12/2018
Work or Job	<b>Contract Teacher (Lecturer) in Forensic Dentistry</b>
Activities and responsibilities	Integrative didactic activity of Forensic Dentistry in the teaching of Forensic and Legal Medicine of the Degree in Dentistry. Chair of teaching Prof. Giancarlo Di Vella.
Employer	Giancarlo Di Vella.
Type of activity	Dental School, University of Turin (Italy) Teaching, Forensic Dentistry and Odontology
Date	from 20/05/2008 to 20/05/2009
Work or Job	<b>Contract Professor</b>
Activities and responsibilities	Integrative didactic activity of (20 hours) in the Master in Forensic Nursing, for two academic years. Director of Master Prof. Giancarlo Di Vella.
Employer	University of Bari (Italy)
Type of activity	Teaching, Forensic Odontology
Date	Since 04/11/2015 to 27/12/2018
Work or Job	<b>Contract Teacher (Lecturer) in Forensic Odontology</b>
Activities and responsibilities	Supplementary didactic activity in the teaching of Forensic and Legal Medicine of the Dental School Degree and in the Specializing PG Course in Legal Medicine. Chair of teaching and Director of Course Prof. Pietrantonio Ricci.
Employer	
Type of activity	University Magna Graecia of Catanzaro (Italy) Teaching, Forensic Odontology
Date	From 1/09/2015 to present date
Work or Job	<b>Honorary Fellow in Forensic Medicine</b>
Activities and responsibilities	Supplementary didactic activity in the teaching of Forensic and Legal Medicine of the Medicine Degree. Chair of teaching Prof. Pietrantonio Ricci.
Employer	
Type of activity	Università Magna Graecia di Catanzaro Forensic Odontology

Date from 23/03/2010 to 23/03/2015  
Work or Job **Honorary Fellow in Criminology**  
Activities and responsibilities Supplementary didactic activity in the teaching of Criminology of Educational Science Degree. Chair of teaching Prof. Oronzo Greco.

Employer University of Salento, Lecce (Italy)  
Type of activity Teaching and student examination

Date from 12/02/2013 to 19/09/2013  
Work or Job **Forensic Advisor**  
Activities and responsibilities Expert panel member of the international project aimed at prevention and contrast of human trafficking called “Joint efforts of Police and Health Authorities in the EU-Member States and Third Countries to Combat and Prevent Trafficking in Human Beings and Protect and Assist Victims of Trafficking” financed by European Union (Ref. project: EC/ISEC/PAYOKE-Project HOME/2010/ISEC/AG/062 30-CE-0447231/00-04).

Employer NGO Payoke (Belgium)  
Type of activity Forensic advisor in age estimation and THB victims recognition

Date since 23/07/2013 to present date  
Work or Job **Reviewer of Editorial Board**  
Activities and responsibilities Reviewer of international articles related to forensic odontology, Journal of Forensic Dental Sciences, <http://www.jfds.org>

Employer Wolter Kluwer editor

Date March 2017  
Work or Job **National Scientific Qualification of Associate Professor in Forensic Medicine**  
Activities and responsibilities This qualification lasts five years and is obtained after an evaluation of the scientific background, professional titles and academic/research production and teaching.

Released by the Italian Ministry of University

## Education and Training

Date 13/12/2012  
Qualifications **Master in Minors' Rights, Protection and Safeguard**

Essential competences/skills reached	Topics related to child abuse and neglect, attention to families disfunctions and tools to evaluation evolutive developments especially in the administration of the Jouvenile Law.
Organization/University	University of Ferrara (Italy)
Type of Course	PG Master
Date	09/05/2006
Qualifications	<b>Doctorate Degree (PhD)</b>
Essential competences/skills reached	Doctorate research in “Analytical Morphometry and biomedical and anthropologival applications” applied to superimposition and human identification. Research Thesis title "Identification of human remains: optimization of numeric evaluator for skull-photo superimposition". University of Bari (Italy)
Organization/University	From 19/07/2004 to 23/07/2004 (32 hours) <b>Post Graduate Course in Human Identification</b>
Date	Methods applied for human identification of human remains (carbonized, decomposed, scheltonized)
Qualifications	School of Medicine and Dentistry, Barts and the London Queen Mary's University, London (UK)
Essential competences/skills reached	
Organization/University	From 21/03/2003 to 13/09/2003 <b>Post Graduate Diploma in Forensic Odontology</b>
Date	Annual university course in Forensic Odontology. Director Prof. Aristide Norelli.
Qualifications	University of Florence (Italy)
Essential competences/skills reached	
Organization/University	From 01/11/2001 to 20/06/2002 <b>Post Graduate Diploma in Legal Medicine</b>
Date	Annual university course in evaluation of persons’ damages in Legal and Insurance Medicine”. Director Prof. Alessandro Dell'Erba.
Qualifications	University of Bari (Italy)
Essential competences/skills reached	
Organization/University	
Date	20/07/1994
Qualifications	<b>Degree in Dentistry (DDS)</b> , finale vote 110/110 cum laude
Organization/University	University of Bari

## Other skills and competences

Ability to organize dental assistance and dental emergency services in the communities (refugee camp, Bari), acquired during dental assistance as a volunteer of the Italian Red Cross, volunteer for UNICEF Bari Committee and the Association "Solidarity Dentistry for Handicap and Childhood" of which he is founder (in 2010) and actual President.

Excellent organizational and leadership skills in the case of civil protection interventions for the recovery and identification of victims of a mass disaster, acquired through Civil Protection exercises in Bergamo (Orio al Serio airport) and Bari (Bari-Palese airport) ; courses at Kenyon International (UK) and Blake Emergency Agency (UK); interventions as Volunteer of the Civil Protection Association "Dental Team DVI Italia" of which he is founder (2016) and President ([www.dentalteamdvi.it](http://www.dentalteamdvi.it)).

Organizational experiences in training and promotion of events dedicated to oral health professionals in the field of community dentistry, gained by the organization of 14 conferences from 2007 to 2018, as organizer and responsible of the scientific program.

Organizational skills and coordination of dental prevention programs in primary schools and communities, through numerous prevention projects carried out from 1998 until today. Since 2015, a dental prevention program is running in collaboration with the Welfare Councilorship of the Municipality of Bari in favor of minors aged 0-14 followed by local Social Services.

**Member of the Sub-Working Group of Forensic Odontologists of the Permanent Commission INTERPOL on DVI (disaster victim identification)**, since 2010. In 2010 he was invited to join the technical group as an expert in forensic odontology. Since 2010 he has attended the annual meeting at the INTERPOL HQ in Lyon (France) and Singapore.

Experience and competence in organizing as Team Leader an identifying team of forensic dentists and auxiliary staff, for the recovery of human remains in case of mass disaster, following the INTERPOL procedures, regarding the recovery procedures, cataloging also on IT support (Software PALSSDATA) of human remains conjugated with photographic, radiological and odontological-forensic surveys (oral autopsy), also in synergy with Identifying Teams of other nationalities (DVI Team). The experience gained, also through the participation in the UK DVI Team exercise (Unified Response Exercise, London in February/March 2016).

Excellent competence in organizing training courses in the field of forensic applications for dentists, dental hygienists and dental assistants, gained through the university teaching activities undertaken since 2005 (post doctorate) with lectures in favor of medical doctors specializing in Medicine Legal, medicine and dental students at the Universities of Insubria (Varese), University of Foggia, University of Bari, University of Turin, University of Lecce, and University of Catanzaro.

**Knowledge of NATO procedures on military dentistry** related to the dental fitness prior deployment in military mission (STANG 2466) and the forensic dental identification (STANAG 2464) gained through the call on duty and Military Officer in Iraq (2004 , 2005) and Kosovo (2008).

Knowledge of the dental autopsy procedures related to human identification of human remains and. Knowledge was gained through the attendance of courses and workshops at the University of Oslo (Oslo, 2005), the University of London (London, 2005), the AFIP Armed Forces Institute of Pathology (Washington, 2004) .

Forensic Odontology consultant of the Laboratory of Genetics and Forensic Odontology LA.GEN.O.F. of the Magna Graecia University of Catanzaro, since 27/03/2013. The laboratory was set up for research and pro bono activities signing a memorandum of understanding between the Penelope Puglia Onlus Association. Responsible of the laboratory Professor Pietrantonio Ricci, Professor of Forensic Medicine.

Knowledge and competence in the field of Law and Evaluation of the Professional Responsibility of Dentists, gained through the advanced course in Legal Medicine of the University of Bari (2002), attendance of the Institute of Legal Medicine during the Research Doctorate (2002 -2005), and attendance of courses and seminars in the field (among which course on "Professional Responsibility in Dentistry" organized by the A.GI.SA. Justice and Health Association at the Supreme Court (Corte Suprema di Cassazione), Rome, attended from 23/10/2009 to 12/12/2009). He is also a graduate student of the Bachelor of Science in Law at the University of Bari, reference num. 449023, with the following career: Exams passed: 17; Exams still to be supported to end: 4.

**Civil and Commercial Mediator**, after completing in 2012 the course organized by AS-Connet num. 52 Training Body of the Ministry of Justice, Ostuni (BR), 54 hours.

**Volunteer Legal Guardian**, after completing the course in 2017 organized by the Regional Authority for Children and Adolescents of the Basilicata Region, Italy.

**Invited Speaker** at the 7<sup>th</sup> INPAFO Indo-Pacific Association of Forensic Odontology World Congress, 17-19 February 2020, Khartoum, Sudan.

**Invited Speaker** at the International Conference of Forensic Odontology a& Child Abuse, 31 July-3 August 2019, Lucknow, India.

**Invited Speaker** at the 6<sup>th</sup> INPAFO Indo-Pacific Association of Forensic Odontology World Conference, 15-17 February 2019, Chandigarh, India

**Invited Speaker** at the Faculty of Dentistry Hasanuddin University, Makassar (Indonesia), 17 October 2018.

**Invited Speaker** at the Faculty of Dentistry Indonesia University, Jakarta (Indonesia), 20 October 2018.

**Invited Speaker** at the international conference "Disaster Victim Identification - present and perspectives", Bucharest (Romania), organized by the Ministry of Internal Affairs, General Inspectorate of the Romanian Police, National Forensic Science Institute, 22/09/2016.

**Invited Organizer and lecturer** of the "Bitemark Evidence: Forensic Significance in Crime Investigations" Workshop during the 12th INAPLMS International Congress (Indo Pacific Association of Law Medicine and Sciences), 17-23 September Bali (Indonesia), 19/09/2016.

**Invited speaker** at the FDI World Congress (International Dental Federation [www.fdiworldental.org](http://www.fdiworldental.org)), in the section of forensic dentistry, held in Schenzen (China) 22-25th of September 2006. Title of the presentation "future project concerning mass disaster management, 09/22/2006.

**Invited Speaker** at the 2015 Forensic Forum. Title presentation "Dental autopsy for the identification of missing persons", London 10-12 March 2015.

**Invited Speaker** at the 45th Annual Scientific Session of the American Society of Forensic Odontology ([www.asfo.org](http://www.asfo.org)), Orlando February 17, 2015 on "Bitemarks: Past, Present, and Future - Presentation title "Future Research Directions in Forensic Odontology", 17/02/2015.

**Invited Speaker** at Conference of Forensic Dentistry: Dental apparatus and personal identification organized by the Italian Society of Legal and Insurance Dentistry (SIOLA, [www.siola.eu](http://www.siola.eu)), University of L'Aquila, December 13, 2014. Presentation title "the oral autopsy and the post mortem collection", 12/13/2014.

**Invited Speaker** at the meeting "The phenomenon of missing persons and bodies without name", organized by the Prefecture of Pescara on December 10, 2014.

**Invited Speaker** at the National Congress of Civil and Military Dentistry, organized by the Institute for Advanced Training in Aeronautics and Space Medicine, Rome 15 November 2013. Title of presentation "NATO STANAG 2466 and 2464: Dental Odontology and Dental Forensic Identification".

**Invited Speaker** at the International Congress of the Caribbean Dental Association and the Dental Association of the Commonwealth, "Education, Abuse, Neglect & the oral care practitioners", Barbados 22-24 November 2011. Presentation title "An international perspective of forensic dentistry " and "Oral care workers role in Abuse and neglect cases", from 22 to 24/11/2011.

**Moderator** at the Forensic Odontology Section - Age Estimation at the 67th Annual Scientific Meeting of the American Academy of Forensic Sciences AAFS, Orlando (USA), 20/02/2015.

**Moderator** at the Forensic Odontology Section - Bitemark Challenging the Science at the 63rd Annual Scientific Meeting of the American Academy of Forensic Sciences AAFS, Chicago (USA), 24/02/2011.

**Fellow** of the AAFS American Academy of Forensic Sciences, section of Forensic Odontology, from 21/02/2011 to today.

## Inventions and Innovations

**Colorimetric Scale NNDV no. 2** – for forensic photography  
Inventor (60%), with prof. Giancarlo Di Vella and prof. Margherita Neri of a Colorimetric Scale as a Visual Aid for the Bruise Age Determination of Bite Marks and Blunt Trauma, named “colorimetric scale NNDV no. 2”. Available for sale at <https://www.shopevident.com/category/photographic-scales/colorimetric-scale-nndv-no-2>

**Selfie Forensic ID App** – for Smartphones  
Creator of the first application for smart phones with a forensic application in the process of forensic dental identification. The App is available on Android and iOS store for free with no commercial benefits. Unique link to download the App at <http://onelink.to/selfieforensic>
